JAMES ADDICTION

Dear Mayfair,

For the last couple of months I've been seeing this new girl from work behind my girlfriend's back, which I know is a really shitty thing to do, but she's everything that my girlfriend isn't – flirtatious, very sexually adventurous and, well, a fantastic fuck, if I'm honest. Don't get me wrong, I do love my girl, but it's just that Aimiee acts in such a slutty way that she has me

**AS SHE OPENED
HER MOUTH AND
SWALLOWED MY
LENGTH SHE LET
OUT A GROAN...**

feeling permanently horny whenever I'm around her. However, I'd really hate it if my girlfriend behaved even slightly like Aimiee does; every bloke she comes into contact with fancies their chances with her, because she flirts with everybody and constantly talks about sex, loudly. I have no right to be jealous, but it does irk me when we're out together and she has a crowd of admirers gathered, all wanting to take her home. I just can't finish with Aimiee, though – she's amazing in the sack, and life's never dull when I'm with her. Plus, her dirty mouth doesn't stop at a few anecdotes about her sex life; she sucks dick like no woman I've ever known!

The second time I shagged Aimiee was back at her place, which she shares with a couple of her old college friends. She told me to wait downstairs for a few minutes before she called me up to her room, so she could get herself 'ready for me' (her words!). I had to make small talk with her mates while waiting, which was more than a little embarrassing seeing as it was pretty obvious why I was there. However, this feeling suddenly disappeared when I entered the bedroom to find Aimiee standing before me in a leather bra and suspender belt, with no stockings, but thigh-high leather boots instead. Oh, and did I mention that she had no knickers on

MUFF JUSTICE!

Dear Mayfair,

The Front cover of your latest issue (49.02) was quite something, and I have to say I think the entire issue will take some beating this year. I loved Fawna – especially the shot of her on page 6. I adore girls in tartan-style skirts, and it's nice to see some growth down below as well – and while I'm at it, how kind of the Editor to give us the pictures of Sophia also sporting a proper muff! I can't wait for the next issue – how teasing do Dani and Lexi look in that picture?!

A top issue, and I look forward to seeing if you manage to best it with any other issues in volume 49!

Graham, Cornwall.

Cheers Graham – we like to think every issue's special, but looking back (and especially for pube lovers), 49.02 was a bit of a highlight! – The Ed.

either? My dick went from limp to rock hard in about one second flat!

Slinking over to me seductively, she reached straight down for my prick and purred, "I'm going to make sure your cock aches so badly by the time I'm finished with it!" I was so surprised at this I realised I was frozen to the spot, and as she loosened my trousers and yanked my shaft free I was powerless to stop her. Not that I would have, of course! As

she wanked me, she kept asking, "You're going to let me suck your fat dick in a minute, aren't you?" making me answer each time, speeding up her rhythm each time I did.

Maintaining intense eye contact with me the whole time, she finally dropped to her knees. "Oh yeah, I fucking love a nice, big prick in my mouth," she purred, before flicking at the very tip of my helmet with her tongue. As it pulsed and twitched

from the base, she dragged her tongue along the side of it, moaning and slurping away, loudly. As she finally opened her mouth wide and swallowed my length she let out a little groan of pleasure, once again causing my pole to spasm uncontrollably in her mouth. Gripping my shaft firmly now, she turned to the side slightly and pushed the tip of my dick into her cheek until it bulged. Dragging it out slowly, she then grinned naughtily at me and said the horniest thing ever: "Look how your meat completely fills my face!"

I'm not sure what my expression told her, but she seemed satisfied that her words had the desired effect on me, and slowly moved her mouth back down to engorge my entire member, deep-throating me for the first time, before proceeding to give me the best blow-job I had ever received! I closed my eyes and savoured the blissful sensation of Aimiee's tongue working its magic around my shaft, while it was still encased in her warm mouth.

After a good 10 minutes of this she suddenly stopped, removed her mouth and dropped my dick, telling me, "I need your cock in my cunt now!"

Hearing this language spewing from her pretty mouth was such a turn-on that I willingly allowed her to drag me by my shirt on to her bed, with her legs falling wide open as I landed on top of her. Steering myself into her snatch, she pulled her pussy lips apart and begged me to "Push it deep inside!"

Wrapping her legs around my back, she gripped me tightly as I thrust inside her for all I was worth. "Is that all you've got? Fuck me harder," she kept taunting and urging me through gritted teeth.

Her own hand was virtually a blur as she wanked away at her clit, her breath coming in short, sharp pants, and watching her getting so hot and bothered made my ball sac tighten up instantly and I was soon pumping wads of my sticky jizz into her, grunting as I did.

"Yeah, that's it! Fucking fill me up with your hot spunk!" Aimiee shouted so loudly that the whole flat would have surely heard, as the beginnings of her own orgasm hit her. "Yes, yes, I'm coming all over your hard, fat cock!" she was shouting at me as I continued to pump away and she writhed around on it, clawing at the duvet. "I'm a bad girl! I need to be spanked next time! And then fuck my arsehole!" she was still practically yelling but now staring me dead in the eye, too, before every muscle in her body went into spasm as she climaxed and finally shuddering into a heap beneath me.

Afterwards, she went back to acting like her normal self – loud, suggestive and saucy – but now I'd seen the wild animal in the bedroom, this side of her seemed tame in comparison. The next time we shagged, I did, indeed, fuck her in the arse and spank her, and her language was even more colourful! The sex just gets better – and dirtier – every time, and she never ceases to surprise and amaze me with her imagination in the sack! I know seeing Aimiee behind my girlfriend's back is wrong, but she's like a drug that I can't give up... I'm completely addicted!

James, Selby.

ONE STEP BEYOND!

Dear Mayfair,

I'm 19 years old and the other evening I went round to my mate's house. His stepmum, Julie, who's in her mid-30s with long brown hair and a sexy, curvy figure, told me that he'd gone out for the evening with his dad. I was about to leave when Julie asked me in for a drink. Having nothing better to do, I accepted

STARS ABOVE!

Dear Mayfair,

I had to write to commend you on the lovely new set of pictures featuring my new favourite top shelf model Sophie Star! Clearly she's one of those girls who likes to leave a few things to your imagination (and I've spent a fair bit of time wondering just how cute her little bumhole must be!), but surely that only adds to her allure! I love the sight of her perfectly shaven fanny, and I can't be imagining that she's getting ever so slightly revealing, is she? Either way, I hope we'll be seeing plenty more of her this year in the magazine – and please pass on my appreciation to the girl herself!

Eddie, Crewe.

Yes, Sophie's a cracker alright, and we suspect she might have got a wee bit more revealing for this last set of pictures. We shall have to keep our fingers crossed and see what she's got in store for us next time!

– The Ed.

and she welcomed me inside.

Julie, who's always been flirtatious towards me, looked really sexy in a revealing mini-dress, which clung tightly to her shapely body and showed off her gorgeous, tanned bare legs. She ushered me into the living room where I found a friend of hers sitting on the sofa.

"Hi," she smiled as I sat next to her on the sofa and Julie poured me a glass of red wine. "Who's this handsome young

hunk?" enquired Kath. My face turned bright red as Julie introduced me.

"Kath, this is my son's friend, Dan – young and with balls full of come," she said with a mischievous look on her face. Kath was about 28, with shoulder-length brown hair and a slim, petite build. She was wearing a short black skirt and a white blouse, the top buttons undone. Naughty Julie joined Kath and me on the settee so that I was sitting between these two sexy women. As we sipped our drinks and chatted away, I couldn't help but stare at Julie's cleavage, which peeked out of her low cut dress, and both her and Kath's smooth, bare legs and firm thighs. Combined with the scent of their perfumes, my cock rapidly stiffened.

When Kath ran her hand up my thigh I gulped down my wine and almost choked when she massaged the bulge in the front of my tight jeans. Julie took the glass of wine from me and placed it on the coffee table in front of us.

"Shall we get all that lovely come out of his cock, Julie?" Kath smiled as her nimble fingers quickly undid my flies and slipped inside my boxers to stroke my swollen knob.

"Kath," replied Julie. "Let's take

When we copped a load of the super-cute Chloe Toy during the shoot for *Mayfair* 49.01 we knew we wouldn't be able to resist her charms for long, so almost before she'd got home that day we were back on the phone asking if she might be able to fit us into her busy schedule once again. She couldn't have been more obliging, and a few days later we were back exactly where we wanted to be – sat a few feet away as the girl herself peeled off her clothes again! Now you might think that as hard-nosed professionals we might get a bit blasé about all this sort of thing, but when it's a girl as sexy as Chloe doing the peeling off, you can be assured that it ain't our noses that are hard – and if anything she seemed to enjoy the whole situation even more than we did. Talk about a match made in heaven – her bod and our eyes!

him up to the spare bedroom..."

My legs were like jelly as the pair of sex-mad women got me to my feet. Kath took my hand and led me upstairs.

In the bedroom, I was stripped naked in no time. I sighed in pleasure as both women ran their hands all over my body, snogging me as they massaged my stiff cock and rubbed and squeezed my balls.

Starkers, I lay back on the bed and watched them strip off. Within seconds, Julie was totally naked, revealing her ripe, round tits and juicy pink pussy.

Then she unclipped her friend's black bra and let her pert breasts spill free, then yanked down her skimpy black panties to show me her shaven snatch. Totally naked, Kath and Julie joined me on the bed. As they snogged me, sticking their tongues down my throat, I ran my hands over their firm tits. Manoeuvring themselves around, the two horny, naked women crossed their legs over my shoulders and thrust their firm, peachy bottoms into my face. All I could see in front of me were two steaming hot pussies just begging to be fingered.

"Mmm, I love his cock," said Kath as she and Julie wanked my swollen member and flicked their soft tongues delicately over the head of my throbbing shaft. I experienced the sensation of my cock being pushed towards my stomach and both women's tongues trailing up and down the underside of my pulsating dick, my balls bathed in the dirty sluts' saliva. Next, they took it in turns to deep throat me. I was never too sure which horny babe's wet, warm mouth was enveloping my knob at any given time! While they played turnabout at sucking me off, I busied myself rubbing the palms of my hands over each of their fleshy, pink pussy mounds.

"Work those pussies harder!" giggled Kath, smiling as she glanced over her shoulder at me. "Make us come!"

A moment later, Kath moaned as I plunged a couple of fingers deep inside her tight little slit. Julie ground her bottom further towards me when I began to finger-fuck her hole at the same time. My

"KATH MOANED AS I PLUNGED A COUPLE OF FINGERS DEEP INSIDE HER TIGHT LITTLE SLIT..."

thumbs tickled their clits and they writhed wildly on the bed and moaned in pleasure in between sucking and wanking my cock as I brought the pair of them to one loud, juicy climax after another.

Meantime, Julie and Kath's fingers, mouths and tongues had taken me to the very edge. Suddenly, my body tensed up and I felt my balls tighten.

"He's coming!" gasped Kath. My cock twitched and, with a loud groan, my cock exploded and a full load of hot, sticky come flooded Julie's mouth.

VALLEY GIRL!

Dear Mayfair,

I have to confess that when it started last year, I thought your 'Best of British' policy was probably something of a mistake; after all, there are some truly stunning American and Continental models out there, and I have to say that it's good to see the odd one making an appearance these days in between all the British girls. That said, none of the overseas girls are more stunning than 'Welsh lovely Emma Green', who has impressed in previous pictorials but who really excelled in your first issue of this year. In fact I would already go so far as to say she's got the covergirl of the year in the bag for the second year running – at least as far as this long-standing reader is concerned (sad to say, I usually recall your 'Mayfair Classic' girls from their original appearance!).

Two firmly held beliefs of mine which Emma green illustrates perfectly are the following:

- 1) If the model is sufficiently attractive, then you really don't need to see what she had for her breakfast, if you'll pardon the phrase.
- 2) Natural boobs beat phoney ones every time!

More of Emma soon, please!

Peter, Beds.

Well Peter, we're glad to hear you've been such a loyal reader over the years, and that you're such a big fan of Emma! We are too, which is why we'll be getting her back just as soon as we can (and she's promised to get a little bit ruder for us next time as well!) – The Ed.

"Share it, Julie," urged Kath. I looked on in amazement as Julie and Kath knelt on the bed. The two women entwined their arms around each other and gave each other an intense, jizz drenched, French kiss, Julie transferring a share of my salty spunk to Kath's hungry mouth.

Turning to face me, their red lips and chins splattered in my sperm, they let my cock cream pool on their tongues for a few seconds before swallowing the lot

pink pussy completely engulfed my shaft. As Julie slid her hole up and down my pole, Kath squatted over my face.

"Lick me out!" she ordered. Grasping her buttocks, I stuck my tongue out. I lapped at the fleshy folds of her twat as she begged me to stick my tongue in her. "That's it!" she purred when my tongue penetrated her tasty little cunt and flicked over her clit. She ground her sodden, wanton fanny into my nose, screaming in pleasure as she thrashed wildly around on my face. The girlie come soon gushed out of her snatch, soaking my face and neck in her sweet juices.

"Oh, Jesus!" she screamed as her body was rocked by a wave of massive orgasms. All this time, Julie was riding my dick faster and harder.

"Come on, come on! Shoot your spunk inside me!" she groaned, bouncing up and down on my rigid length. Kath leaned forward and rubbed Julie's clit, and a few seconds later Julie, moaning and yelping in ecstasy, came all over my hot cock. Moments later my cock erupted and my balls released a torrent of hot come deep inside Julie's soaking wet pussy, causing her to arch her spine and throw her head back as she screamed in pure delight.

And that was just the start...

Dan, Warrington.

Golf - it's not for everyone, we'd be the first to admit. There's lots of expensive equipment to get before you start, and lots of people find all that dicking around in stupid trousers and sweaters more than flesh and blood can stand. On the other hand what could be nicer than knocking a little white ball into a hole on a nice sunny afternoon? So it's a bit of a tough call, really - unless you happen to have the superbly pneumatic Charlie Atwell at hand to drive your buggy around for you while you scratch around churning up divots and dropping shots left, right and centre.

"Here, you're not dropping any shots on me, thank you very much!" the girl herself objects.

Well, we'd love to card a birdie - we're sure it won't take us too many strokes...

Sun-dodger Bree likes to change her hair colour pretty regularly – is she never satisfied with her look or something?

“No, I wouldn’t say it’s that. On the whole I’m pretty happy with my look, but the thing about being a model is it gives you a chance to keep re-inventing yourself, which is something I love to do. In fact I used to be a bit of a sun-worshipper when I was younger, but you know, sometimes a change is as good as a rest, so now I’m going for the pale and interesting look!”

Well, to be honest we’d find you pretty interesting no matter how tanned or otherwise you are, because we see another change you’ve made of late is the addition of a bush!

“Oh yeah – that’s probably the best change I’ve made – ha-ha!”

It sure gets our vote as well!

Yorkshire-born Sophia's sporting something that's bound to appeal to a certain proportion of our readers, and we're not just talking about lingerie. So what's with the pubes?

"Well, they're natural, aren't they?" she asks, and we can't really argue with that! After all, if you look at the evolutionary clock of top shelf magazines, pubes featured extremely prominently until, oh, something like half past six in the evening on December 31st. That's assuming dinosaurs died out around the time of the August Bank Holiday, btw...

"Exactly. I don't know any guy who'd prefer me to be clean shaven. Sometimes I do shave just to see what it's like, but there's something irresistible about sliding a hand into the top of my panties and coming into contact with my pubes..."

We don't doubt it for a second!

QUEST...

Hmm, as it turned out, 'Home & Away' was a bit of a catch-all, wasn't it? Still, these three horny ladies aren't unduly worried about that...

I'd been with my boyfriend, Mark, for over five years when he started asking me some 'funny' questions. We'd often had shared fantasies where we imagined ourselves with other people – usually while we were watching porn together. But those fantasies evolved and Mark kept trying to get me to flesh them out with people we knew. Somehow that didn't feel right to me; it was cheating – even if it was still fantasy, it felt more real. I didn't enjoy the questioning but eventually indulged Mark's 'what if' scenarios.

"What if you had a temporary pass, and you could sleep with another

man, who would you choose?"

"Who says I'd choose a man to sleep with?" I teased. I'd never had a desire to sleep with

anyone else since meeting Mark but the fantasy of me with another woman seemed safe – an easy way to avoid giving him an answer he didn't like. At the time I thought it had been a clever way to swerve his line of questioning but after I'd suggested being with a woman once, Mark brought it up again and again. The fantasy became more specific, more detailed with each re-telling and the woman of my empty dreams slowly came into focus. Sometimes I pretended to be her as we made love. Mark's mouth found 'hers' with an urgency and desperation which followed through to the subsequent love making. It was fun and I started to enjoy indulging his dirty fantasies.

"I want you to do it," he said, after a particularly hot session which had started in the kitchen that had begun as soon as he'd got home from work.

"Do what?"

"Have sex with a woman." The hard length of his cock was nudging determinedly against my belly. There was something different about the way he was saying it, a new intensity. But I had no reason to think he was serious.

"Hmmm... I'd love to have sex with another woman," I purred, wrapping my hand around his cock. "To feel her soft tits pressing against mine..."

"Don't you want to try licking her pussy?" he interrupted. I found myself imagining the details of licking another woman right to the point when Mark showered me with a second layer of spunk. That was when the fantasies usually stopped but this time he carried on even after his orgasm had faded.

"There's a woman at work – Kate. She's just broken-up with her boyfriend... and she said that she wants to experiment with a woman." A shaky laugh rattled up my throat. Mark went on to describe the slender 29-year-old: deep brown hair, shoulder-length when curly; small waist, nice boobs, pert bum, green eyes. I felt a confusion of emotions – I was annoyed that Mark had been looking at

another woman in such a way. "I think you'd like her," he concluded. My stomach churned – he had been looking for me.

"Are you being serious?" I winced as my body reacted. The months of build-up meant I was no longer shocked by the suggestion. An insistent throb quickened in my clitoris, sharing the same beat as my heart as I tried to piece together 'Kate' from Mark's description... and picture myself with her. Would he really let me do it? It turned-out he would – in fact he arranged it all without me saying another word. He knew me well enough to have seen what my reaction had been. The next thing I knew, Kate was standing on our doorstep while Mark was down at the pub.

"Hi," she said. "I'm Kate." Just those few words and the warm smile that went with them were enough to set my heart racing. "Can I come in?"

"Yes, of course," I mumbled, standing aside as Kate stepped into the house. She was immaculate; taller than me, although the height difference was being emphasised by a pair of enormous heels. I found my eyes drawn up her nylon-clad legs – there was a lot

of leg showing between the heels and the tight stretch skirt which gave her an exaggerated wiggle as she walked. My stomach cramped as I realised she had caught me looking but the smile returned; quick and bright.

"Can I take your coat?" I asked, feeling like a housemaid. Kate slipped it off and my breath caught. Her top was backless and she

wasn't wearing a bra. She was stunningly beautiful and the feelings that blossomed inside me were undeniable: I was genuinely sexually attracted to her.

I made some flustered excuse about having to shower and getting cleaned-up - needing to escape, to think. I wasn't ready for this to actually happen; I hadn't had chance to prepare. I had a shock when I got out of the shower: Kate's clothes were hanging on the bannister... which meant she was naked somewhere. I found her in our bed. It wasn't like when you see women in bed in the soaps on TV. She didn't seem to care that her breasts were on full display. I did care that my body was on display as I took my robe off. Being naked as a woman openly ogled me was weird.

We were touching as soon as I slipped into bed. Kate moved so that

The musk and heat of her pussy was deliciously inviting and it was torture to be so close but unable to touch her. I could actually see the pretty pink pearl of her clitoris and decided I might be able to progress by simply avoiding it. There was still a jolt from Kate's body but it wasn't nearly as intense and I was able to gently suck on her labia, drawing them into my mouth. I tasted her properly for the first time and as I licked, her mound pushed out to meet me. There was a frighteningly loud moan from up the bed as I explored more deeply between her folds, pushing my tongue deeper into her flesh.

I loved the taboo elements of what I was doing - I was cheating... with a woman. I imagined Mark watching us as I licked and probed Kate's pussy, trying to force my tongue even further inside her tight hole. A muffled groan of pleasure told me that Kate was close to coming and I maintained a gentle rhythm with my tongue which seemed to be getting her off. I felt the pressure building and imagined the fire in her clitoris flooding uncontrollably through her body as a result of what I was doing to her. Then it was happening for real - Kate's thighs clamped around my head and I licked for all I was worth.

"That was fucking amazing," Kate whispered hoarsely, as I slid in beside her. "Do you think Mark will let me borrow you again?"

"I hope so," I said, staring at the ceiling. "In fact, why don't you stay... I'm sure we'll be able to persuade him together."

And we certainly did!

My boyfriend Sam and I love to travel. We especially like visiting different cities in Europe, and often avail ourselves of the offers for city breaks that we find online. Last month we went to Berlin, where we were lucky enough to get a magnificent room with breathtaking views of the city.

We spent the first day walking all over the German capital and by evening I was feeling a little tired, so once we had eaten I went up to the room for a snooze while Sam stayed down in the bar for a while.

I dropped off to sleep lying on the bed, and was awoken by the feel of Sam's hands running up my stocking-covered legs. Smiling, I

her body was pressing against mine. Female flesh against female flesh - I wasn't sure which bits were touching what but the sensations were electrifying. Kate's hand traced a confident path up my inner thigh. Oh God - she was going to touch my pussy. My legs came apart; I was willing her to do it, to touch my most intimate area. Her fingertips traced onto my belly and down through my pubes, moving achingly slowly before settling on my burning clitoris. I barely dared to breathe as Kate started rubbing. The sensations were intense; her soft breasts were pressing against me, while her legs wrapped around mine. The sexual tension built rapidly to the point of detonation. I couldn't believe what was happening - I was about to experience the first orgasm given to me by another woman. And it felt like it was going to be the most powerful orgasm of my life.

I gulped, and held my breath. The peak threatened to elude me and I pulled on my nipples, pinching them hard. That was enough to tip the balance and I succumbed to Kate's finger work. My back arched and my body pulsed in exquisite ecstasy as the fiery pleasure tore through me. It burnt like a blowtorch but it felt damn good.

After Kate brought me down, I watched as she licked her fingers. The enthusiasm with which she did it sparked a hunger in me to do something I'd regularly fantasised about. Kate groaned as I flipped her onto her back and pushed her knees apart under the sheets. I was desperate to see her body and to follow through with my fantasy. Throwing back the sheets, I admired her stunning body but ignored most of it and simply dived down between her legs. I ran my tongue down Kate's groove and she jolted and twisted in the same way I do when I come. I wasn't sure whether it actually was an orgasm but waited for her to calm down and tried touching her again, with the same result. "I'm a bit sensitive down there," she said unnecessarily.

"I RAN MY TONGUE AROUND HIS COCKHEAD, SAVOURING HIS TASTE BEFORE SUCKING..."

turned to face him as he bent over me and began unbuttoning my blouse and kissing the exposed breast flesh over the top of my black lace bra.

His hands returned to my thighs, caressing the tender areas between the lace tops of my stockings and my crotch. I was now fully awake with my pussy throbbing as he pulled me to my feet and slipped my blouse from my shoulders. I wriggled free of my skirt so that I was standing only in my black lace underwear, bra, g-string and stockings.

He led me to the bathroom which he had prepared while I was dozing. There were some scented candles and the large bath was steaming hot and full of fragrant bubbles. Besides the wonderful views of the city the hotel room had one other surprise: an oversized bath which was big enough for two. Slowly Sam finished undressing me, and as he stripped off too I grinned with anticipation, noticing his erect cock.

Sam sat into the bubbles and I slid in front of him, sitting between his legs and leaning back against his chest, relaxing against him. Sam began soaping me, starting with my

stomach and then lathering my tits with his soap-covered hands. I could feel his cock getting harder against my back as he concentrated his efforts on my hard nipples, teasing them with his soapy fingers.

I wriggled my arse against him as he moved down to my pussy, soaping my crotch, and tracing a finger over my clit as he sunk another inside me. My body shuddered in response as he continued to work his fingers inside me, leaving me aching for more when he finally removed them from my soapy slit.

Grasping my wet slippery buttocks he asked me to hold onto the bath sides and lift myself up as he moved his legs together. Lowering me onto his erect cock, he impaled me on his thick shaft, entering me easily as my soapy slot slid down onto him easily.

With his hands on my shoulders he slowly pushed me forward and back so I moved with him sliding back and forth effortlessly on his large member. In the warm water we were able to move easily in all directions, savouring the enhanced sensations of this unusual underwater fucking.

I held the bath sides, rising and lowering myself on his soapy shaft, enjoying the splashes of the water as it lapped around our bodies as we moved in unison. Sam held me tightly as his cock began plunging up into me, pushing me in and out of the bath water and adding to the splashes until we almost collapsed with laughter. Then holding me against him, he rocked my body back and forth, building up the friction until we came together in the scented water.

We both fell back, relaxing, until the bath water started to cool and it was time to get out. Sam got out first, wrapping me in one of the hotel's huge

fluffy towels, while he dried himself roughly and quickly.

After he had finished he dropped his towel on the floor and started to dry me. He was gentle and attentive and it was a beautiful erotic experience that made my body start to ache and my pussy ache again with need. I wanted him again but knew it would be a while before he was able to perform, so we went to the bedroom and sat on the bed together looking at the city lights and talking.

A while later, I could see he had recovered: his cock was hardening as I talked dirty to him. I moved between his legs and licked up the inside of his thighs. Moving up towards his stiffening cock I held it to one side and tongued all around the base of his erect member.

Sam held my head, trying to guide me to where he wanted my attention. It felt a little heady having so much power over my man but I did not want to keep him waiting too long, so I lightly licked up the crease of his balls all the way to the tip of his cock, slurping slightly as I wrapped my tongue around his cock-head, savouring his taste before sucking

his whole cock inside my mouth and using my tongue to play with it.

Holding his cock at the base I moved up and down his shaft, delicately nibbling the tautly stretched skin with my teeth. With a smile of satisfaction I felt his back arch and his buttocks clench as I teased him to full erection. Seductively I sucked him back inside my mouth, my cheeks bulging. Then sucking as deep as I could, I hollowed my cheeks and began bobbing my head on him,

tilting my neck back so he could pump his cock as deeply as he needed.

Palming his balls, I felt them tighten and his fists gripped my hair and pulled it in the heat of the moment. His body tensed and his hands became more forceful on my hair, moving me up and down, increasing his pleasure. Then with a jolt of his hips his cock exploded in my mouth and his spunk ran down my throat.

It was one of those freakishly hot days we had last summer – at least 90 degrees outside and almost as hot inside. The 'air conditioner' in my house had decided to pack up, so my landlord had promised to buy a new part and fix it that day. Fed up of waiting around for him, I decided to take a shower in the hope it would cool me off. As I was rinsing the suds

off my body, I heard my landlord yell, "Hey, Paula, it's Daniel!

I got the air fixed, but I'm going to wait around for a bit to make sure it starts cooling."

Even though he regularly let himself in, I jumped upon hearing his voice – but was excited at the prospect of him hanging around and wondered if he would finally make a move on me.

The first day I came to look at this house,

I was impressed – not just with how nice the house was, but also with how hot the landlord was. He stood about 5'10, had muscular arms and sexy blue eyes; I made my mind at that moment to have the house... And the landlord! Since I moved in, I periodically called Daniel over to fix things. Whenever he came around we would flirt outrageously, but he was a perfect gent, and I was too shy to say anything. That is, until that particular day. I decided that I was going to show him exactly what I wanted fixing – I was hot in more ways than one and Daniel himself was what I needed.

Wrapping a towel around me, I stepped out of the bathroom and found Daniel leaning against the wall outside, with a cheesy grin on his face – but all I could see was his beautiful, naked chest. He had been

MY PUSSY TINGLED AS HE STARTED LICKING MY LABIA, ALL THE WAY UP TO MY SWOLLEN NUB.

working all day without his shirt on and I was getting a close-up view of his tight, chiseled abs. Feeling my knees go slightly weak, I smiled and sheepishly said, "Hi" as I fought the urge to run my hand down his glistening chest. Once again my shyness was taking over, so I waited to see what he would do. I didn't have to wait long; he stepped forward and whispered softly, "You are so beautiful."

I blushed as he put his hand on my cheek, and felt butterflies in my stomach. What was wrong with me? I was thirty years old and felt like a schoolgirl as we stared into each other's eyes!

He leaned forward and kissed me on the lips. I felt myself melt and as I ran my hands over his smooth chest, my towel slipped to the floor. Mildly embarrassed, I went to grab it but he stopped me by enveloping me with his toned arms and kissed me again, his tongue exploring my mouth as his hand wandered down to my perky breast. By this time my nipples were swollen and aching to be touched. I pulled away from

around it.

Pushing his jeans and boxers to the floor with one hand, I took his cock in the other and grinned up at him. I noticed how much heat radiated from it as I began kissing my way up the shaft, working my tongue around the girth then sucking the tip before taking his whole cock in my mouth. We soon found a rhythm – me sucking hard as he moved his cock in and out, fucking my mouth. He let out a loud moan as I gently massaged his balls. His cock felt so good in my mouth I didn't want to stop, but he suddenly pulled my head away and told me it was my turn...

Pushing me back on the bed, he pulled my legs apart and knelt between them and as my clit throbbed with anticipation, I realized just how wet I was. My pussy tingled as he began licking my labia, all the way up to my swollen nub. As he sucked away and flicked it with his tongue, my legs started to shake and, the sweat running down my back, I let out an involuntary moan. Daniel glanced up momentarily; a huge grin plastered on his handsome face, then continued to work his magic between my legs. I groaned loudly as the energy built up inside me and, as my body shuddered and my fanny twitched, I reached the best climax I've had.

A few moments later, his head emerged from my crotch and a wicked glint appeared in his eye as he watched me stretch out like the cat that got the cream.

"Damn, Paula, I need to get inside you," Daniel told me as he crawled up and positioned himself between my legs, his hard cock rubbing on my thigh as he kissed my lips. Reaching down, he guided his thick tool into my pussy, making me gasp as I felt him fill me up entirely. He felt so good that I couldn't help but moan continuously, and as he pumped harder and harder, my breath came out in short bursts. Then, quite suddenly, I felt my muscles begin to tighten round his cock and waves of pleasure wash over me as I released the tension of my second

fabulous orgasm.

Daniel still had plenty of fuel left in the tank, and I came several more times before he was ready. When he finally he shot his spunky cream into me and I felt his hot liquid filling my cavity, I was completely and utterly satisfied. So much so, we're still seeing each other. My landlord certainly knows how to keep this tenant happy!

him and, grabbing his hand, led him to my bedroom.

Stopping short of the bed, I turned around and pulled him in close. Sexily, I began kissing his lips and then worked my way down his neck. His skin smelled of sweat and I felt my temperature soar; I have always loved the scent of a man after a hard day's work. As I kissed and licked down his chest towards his nipples, I began rubbing my hand over his crotch, fingering the outline of his hard prick through his jeans. I was ready to get them off so I could see what awaited me – I could feel his member pulsating and yearning to get out. Looking in his eyes as I sat on the bed and unbuttoned his jeans, he smiled as his cock struggled to be freed. It was beautiful and I couldn't wait to wrap my mouth

Cast your minds back to Christmas and you'll remember that one of the things that made that particular season so festive was the set of pictures we ran of Tommie Jo all dolled up in her Crimbo outfit! Well all that seems like rather too long ago now, to be honest, so we got TJ on the blower and asked her if, er, she'd let us have another look at her rudey bits. Luckily for us, she was well up or it, and her she is, looking even more delectable than ever!

Hmm, so that's Christmas and Eastertide all taken care off, which leaves us a bit short of major religious holidays to celebrate by getting TJ in the magazine. Perhaps we ought to embrace a few more faiths – let's face it, Eidd, Diwali, Yom Kippur and pretty well every one you could think of would surely be improved with a little TJ action thrown in!

Stupendously boobed British babe Brookie comes, in case you couldn't guess, from that most appropriate of cities – Bristol. So is there something in the water down there that results in the girlfolk developing particularly magnificent tittles, or is it just our imagination?

"I don't know if there's something in the water or not," she giggles, "but now I think about it, most of my girlfriends from back home do possess pretty impressive racks! Some of them even put mine to shame!"

Really?! Hmm, perhaps it's time we got on the M4 and popped down there for a weekend break. Purely for cultural purposes, you understand...

GENTLEMEN, That Reminds Me

Well this is the best we could muster, but if you think you can do any better, email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 23 Lyon Road, Hersham, Surrey, KT12 3PU.

A half-dressed fireman is kneeling, shagging the arse of a grimy man who's wearing nothing but a smoke-blackened pyjama jacket in a burning building, both men choking on the smoke, when the Fire Chief bursts into the room, axe in hand, breathing from his oxygen apparatus and roars at the firefighter: "What are you doing? Give this man mouth-to-mouth!"

The fireman says: "How do you think this shit got started?"

M

An eccentric billionaire wants a mural painted on his library wall, so he summons a famous artist to his home. Describing what he wants, the billionaire tells the artist: "I am a history buff and I would like your interpretation of the last thing that went through Custer's mind before he died. I am going out of town

replies the artist, rather smugly.

"No! I did not ask for a mural of pornographic filth! I asked for an interpretation of Custer's last thoughts."

"And there you have it," says the artist. "I call it: 'Holy Cow, Look At All These Fucking Indians'."

M

Two Men are out fishing when one decides to have a smoke. He asks the other guy if he has a lighter. "Yes I do," his friend replies and hands the other bloke a 10 inch long BiC lighter.

Surprised, the smoker asks: "Where did you get this?"

The guy replies "Oh, I have a personal genie."

The smoker asks, "Can I make a wish?"

"Sure," says the other bloke. "Just make sure that you speak clearly because he is a little hard of hearing."

"OK," says the smoker. And, as he rubs the lamp a genie appears and asks the man what he wants. The smoker says: "I want a million bucks!"

The genie nods and returns to his bottle and - kazam! - 10 seconds later a million ducks fly overhead.

The desperately disappointed smoker remarks to his friend: "Your genie really can't hear, can he?"

His friend says: "I know. Do you really think I asked for a 10 inch BiC?"

M

A man comes home just in time to find his wife in bed with another man. So he drags the stranger down the stairs to the garage and fixes the guy's cock in the bench vice. He removes the handle. Then he picks up a hacksaw.

The stranger, terrified, screams: "STOP! STOP! YOU'RE NOT GOING TO... TO... CUT IT OFF, ARE YOU?!"

The husband has a gleam in his eye. "Nope," he says. "You are. I'm going to set the garage on fire."

M

On their first night together, a newlywed couple go to change. The new bride prances out of the bathroom showered and wearing a beautiful robe.

The proud husband says, "My love, we're

married now, you can open your robe."

The beautiful young woman opens her robe, and he is astonished. "Oh, oh," he exclaims, "My God, you are so beautiful - please let me take your picture!"

She smiles and he takes her picture, then he heads into the bathroom to shower. He comes out wearing his robe and his new bride asks, "Why are you wearing a robe?"

So the groom opens his robe and she exclaims, "Oh, OH, OH MY! Let me take a photo!" He beams and asks why, and she answers: "So I can have it enlarged."

M

A man walks into a public toilet and begins using one of the urinals. Looking absently to his left he sees a very short man who is also standing peeing. Suddenly, the little man looks up at the taller man, and the taller man is completely embarrassed about staring at the smaller man's penis.

"Sorry," says the taller man. "I'm not gay or anything, but you have the longest penis I've ever seen, especially on a man so small!"

"Well," says the much shorter man. "That's because I'm a leprechaun! All leprechauns have penises this size!"

The taller man says: "Incredible! I'd give anything if mine were that long."

"Well now," says the little man, "what with me being a leprechaun and all, I can grant you your wish! Sure, all you need to do is let me take you into that cubicle over there and knob you up the arse and I'll make sure that your wish will come true!"

"Gosh," says the man, "I don't know about that... But a dick that long. Ah the hell with it! OK!"

Soon, the Leprechaun is in the cubicle behind the taller man, banging away at his rear. "Say now," says the leprechaun, "How old are you, son?"

Finding it difficult to turn, what with the leprechaun shagging his arse so ferociously, the tall man grunts over his shoulder, "Uh... Uh... Thirty-two..."

"Imagine that!" cries the little man. "Thirty-two and still believes in leprechauns!"

M

A construction worker on the fifth floor of a building needs a handsaw. He spots another worker on the ground floor and yells down to him, but the second man can't hear him. So the worker on the fifth floor tries sign language.

He points to his eye, meaning "I", points to his knee meaning "need", then moved his hand back and forth in a sawing motion. The man on the ground floor nods, pulls down his jeans and boxers, whips out his chopper and starts masturbating.

The worker on the fifth floor is so horrified and angered that he runs all the way down to the ground floor and demands: "What the fuck is your problem?!" I signalled that I needed a hand saw!"

The other bloke says: "I know that! I was just trying to tell you 'I'm coming!'"

"No Amee, I can't make it vibrate!"

on business for a month and when I return I expect to see it completed."

Upon his return, the billionaire makes straight for his library to examine the finished work. To his surprise, he finds a huge mural of a cow wearing a halo, surrounded on all sides by hundreds of Indian braves and squaws, all shagging.

Furious, he calls the artist to his home. "What in tarnation is this?" screams the billionaire.

"Why that's exactly what you asked for,"

Boobelicious Brummie babe Jasmine never appeared in *Mayfair* before to the best of our knowledge (and the Ed's off 'on a shoot' – so he's not saying!), but that seems like a pretty sorry sort of oversight from where we're sitting. After all, given that we're famed for featuring the hottest home grown honies, we can't help wondering how Jasmine's managed to slip through the net for so long. Anyway, we got there in the end, and with those wonderful boobs and her sexy pout Jasmine's certainly turned a head or three in the office here. Last time we were in Birmingham we didn't clock too many girls who looked like this, but then perhaps we were just looking in the wrong places!

Cops and knobbers - it's on of those classic topics that'll never go away! Still, there's a lot more out this month that'll appeal to cleanly types, body-swappers and celestial lesbo types alike! So that's everyone, right?

CAST: Chanel Preston, Helly Mae Hellfire, Anikka Albrite, Teal Conrad.

Police detective Chanel Preston and her partner Tommy Gunn tackle robberies, homicides, and other peoples' genitalia while investigating a criminal conspiracy at the local beach.

But first, before she even goes to work to face the robberies, homicide and genitalia, Chanel is obliged to satisfy her significant other James Deen in their kitchen. Stripping her off, James batters her big bare arse with a heavy wooden spoon, then buries his face in her crotch from behind – which is a neat trick that up until now I imagined only owls could do. One frenzied face-fucking and a vaginal pounding later, Chanel is out the door and ready to take down not just her knickers but also the bad guys. Clearly she'd prefer to do both.

Suspects and crims hump away merrily throughout the movie, but in the end the intense erotic chemistry which has been building between Chanel and her cop colleague Tommy

boils over like a big titanium pot of super-heated spunk and, the nasty business of a beach mystery solved to everyone's more-than-satisfaction, they retire to a bedroom, with Chanel moaning hot but pointless stuff like "Fuck me" when that's exactly what he's doing already and Tommy raving on about how he's going to come off and then splashing onto her buttocks to prove to the punters that he wasn't just all talk about ejaculating.

Beats *Cagney And Lacey*, any day of the week.

Chanel is ready to take down not just her knickers but also the bad guys...

Private

FUCK ME IN THE SHOWER

CAST: Alejandra, GG, Summer, Cristina Bella, Julie Silver, Liliana Tiger, Magdalena, Stacy Silver, Vanessa Gold, Zoe.

Just in case anyone is frightened by the title: this is NOT the notorious *Fuck Me In The Shower* flick shot entirely on location in Wormwood Scrubs and for the filming of which two former screws are presently doing (and stirring) porridge themselves, but a glossy heterosexual offering from a reputable videographic knocking shop with offices in Stockholm and Barcelona.

The DVD is a compilation of seven shower scenes from the Private archives: mostly leggy European blondes having a good old scrub and being interrupted in their endeavours to get clean by men badly in need of shag. The compilation features many interesting types of shower as well, and may also be of interest to those of you thinking of refitting your bathroom.

★★★★☆

Play-pretend architect Julie Silver abandons work on her architectural drawings and her sketch dissolves into her own fantasy shower area where her boyfriend takes her hard up the exhaust pipe with her head jammed between the taps. By the time they are finished, they need another shower... which suggests to me that Julie might have done better to have spent a few minutes grunting on the imaginary pan before diving under the hallucinatory spray to have imaginary anal with her beau.

Ideal for both masturbatory and interior decorating purposes.

★★★★☆

Wicked

SWITCH

CAST: Christie Stevens, Dani Daniels, Maddy O'Reilly, Stormy Daniels.

Following a nasty domestic on their anniversary, porn stars Michael and Stormy both wish aloud that the other could understand what they have to endure in the course of a day.

Some fairy or genie (or maybe it's even God!) hears them, because when they awake next morning they find they've switched bodies!

Now straight away I can foresee a few problems that any straight gent might see with this plotline. The idea of a bloke suddenly finding himself with a fanny getting done up the arse is conceptually disturbing, I'll grant you. But what you have to remember is that it is only a film and it's actually really Stormy pretending to

be Michael the whole time. No matter how it looks and how pitiable Michael's protests are, the only person really being duffed up the bungler is the real Stormy, who is just doing something porn performers refer to as "saying shit", which is Pornolandese for "acting".

Besides, it's not all bad news for Michael. The men in the film all have to wear condoms, and while trapped in Stormy's body he finds himself set upon by his own gorgeous female boss, Dani Daniels, who turns out to be a carpet-chewer. Plus he gets to feel his "own" tits as well as hers, which has got to be an additional thrill. I don't know because I've never switched bodies, but it makes sense that it would be.

Viv Thomas

LESBIAN HEAVEN

CAST: Tess, Eve Angel, Nicole Smith, Tracy Lindsay, Taylor Shay, Lorena Garcia.

I always thought Lesbian Heaven was where well-behaved (and, of course) God-fearing rug-munchers went when they died.

But not necessarily. Viv Thomas, always a visionary, has taken the notion of dead clam-lickers and spun it around to bring us yet another clutch of high class Sapphic vignettes in which most – in fact I'd go so far as to say pretty well *all* – of the performers seem very much alive. Not festering or decomposing or anything like that, don't you worry, there's no skeletons in crotchless knickers surrounded by buzzing bluebottles or any of that nonsense. If there was I would warn you. "Keep away," I'd tell you. "There are skeletons in crotchless knickers in this film. Don't be bringing your kids to see it."

Instead we have another six luscious Euro babes dropping the big moist furry hammer on each other in a variety of scenarios. In the best of them, Lorena and Tess are cleaning out the pool when they

★★★★☆

start larking around and splashing each other. I felt like giving them a slap because they've been given a job to do but instead they are prattling about like they haven't a care in the world, until they start snogging each other's bristols and engaged in a spot of sub-aquatic fingering fun.

Also worthy of mention is the scene where Taylor Shay visits Eve Angel for a massage wearing a thong and gets her cleft flossed.

Good times.

JODIE

Age: 21 Vital Stats: 33E-24-32 5'3"
Photographer: Twistys

By our reckoning it's been nigh on five months since we first featured the curvaceous charms of Yorkshire lass Jodie, which now that we come to feast our eyes upon her again is a tad too long, frankly. And while last time we were rather fixated with her magnificent boobs, this time round it's her luscious labia that have got us hooked!

"Yes, a lot of guys seem to get hung up on my love lips!" she confides. "I never really noticed them myself until my first boyfriend went down on me. He stayed down there for ages, when all I wanted him to do was screw me. In the end I had to grab him by the ears and pull him back up again so we could fuck!"

Well, we can't really blame him for lingering downstairs – chance would be a fine thing!

KATIE *Girl next door* SHAW

She's naughty, she's 19 and she lives next door to Ken from Bedford. Ken's a bit of an amateur snapper with a good eye for the kind of face that launches a thousand prints, so he tipped us the wink.

"When Ken came up to me and asked me straight out whether I would consider modelling for his favourite men's magazine, I thought it was so refreshing not to hear the usual 'nudge nudge wink wink' rubbish that I said I would — and here I am!" **M**

PHOTOGRAPHS BY MEL GUIVER

Hmm, we're not sure about all this guff about 'Ken from Bedford' – especially given that the set's attributed to a snapper called Mel Guiver. Still, the fact remains that 19 years ago, when we were all a fair bit greener, Katie was doing her bit to brighten up our days. 1994 – it doesn't seem that long ago really, does it, and yet if Mel was 19 then, she'll be a rather matronly 38 now, meaning that she's lived twice as long after these pictures were taken as she had before. Still, if the evidence of these pics is anything to go by, we'll wager she's still pretty tasty today!

Here at *Mayfair* we're not the sorts to blow our own trumpet (shortness of breath, mostly), but when you've seen what we've seen, and know what a stunning array of talent we've got lined up for you next issue... well, you'd excuse us a little toot of celebration. We can't go into all the details here, of course – we need to keep something up our sleeve, after all! – but here's a taster, with newbie Chloe and the gorgeous Zoi providing two very good indicators that 51.02 should be an issue to remember!
